## APPENDIX FOUR

### Discography of Medtner Piano Music

#### PRELIMINARY REMARKS

This discography is based on online sources, including Chris Crocker's <[www.medtner.org.uk](http://www.medtner.org.uk)> (date last accessed 15 August 2014), the discography attached to Bryce Morrison's article 'Blazing a trail for Medtner' (*International Piano Quarterly*, Autumn 1998), and Christoph Flamm's *Der Russische Komponist Nicolaj Medtner. Studien und Materialien* (Berlin: Ernst Kuhn Verlag, 1995). My list of Iles's extant recordings was compiled using British Library's Sound Archive Catalogue.

The discography is divided into three sections:

1. recordings made by Medtner (including, in addition, those he made of his songs and chamber music)
2. recordings made by Iles (set out in two lists, one exclusively of Medtner's music, the other the contents of the set of four recordings recently re-issued on the St-Laurent label)
3. recordings made by other artists

Performer's names are given in their better-known spellings. The data was last updated on 18.08.2014.

I am grateful to Chris Crocker for his invaluable online catalogue of Medtner's recordings.
