Keywords

Radical Critical Theory Circle capitalism symposium

This symposium surveys contemporary capitalism – from diagnosing its nature and its prospects, to appraising perspectives of analysis and methodological approaches suitable for radical critique. It originated in discussions at the annual gathering of the [Radical Critical Theory Circle](#) in Nisyros, Greece, in June 2023. This publication features the four papers by Albena Azmanova, Paul Apostolidis, Jodi Dean and Artemy Magun that were presented at the panel “The Critique of Capitalism Today”, as well as commentaries by Enzo Rossi, Panos Tsoukalis, Brian Milstein, Jamie van der Klaauw, and Ryan Kopaitich.

The editors of *Emancipations* welcome further contributions to this symposium – either stand-alone pieces or commentaries to the published papers, which will be published in subsequent issues of the journal.
