End of project questionnaire

Hello everyone,

We are now nearing the end of the interaction period for this mental health discussion forum. The service users will go online and contribute formally for the last time on Thursday 8th June but they are looking forward to seeing the student EBL presentations in July!

Before you all finish this project, will you all - students and users alike - please open the Questionnaires folder and complete the 'End of Project Questionnaire'. It will only take a few minutes.
